- **Parish Involvement/Activities**

I have served on the Vestry for many years and have been Sr. Warden as well as Jr. Warden. I support the Women of the Church in their endeavors which includes the Chicken Salad Sandwich Sale as the "delivery man". I have been part of a group that led music for several years when we had no organist.

- **Diocesan Involvement/Activities**

I have served on the Diocesan Council, been part of the search committee when Bishop McPherson was elected. Cursillo is important to me and my involvement has included serving on the Secretariat, numerous staff positions including Lay Rector and Music Director on several different occasions. I served on the Diocesan committee which put on the meeting "Blowing Up the Church."

- **Wider Church Involvement/Activities**

I have helped support and change a homeless man's life to allow him a travel trailer which my wife and I purchased for him and as a lesson in responsibility had him pay us back over a period of many years. I support the twice annually food baskets that we give to the Faith House and additionally to the giving tree for Faith House Children. I have numerous organizations that receive financial support from my wife and I.

- **Personal Involvement/Activities**

I love to travel and have been to many exciting places. Most recently to the Greenbriar in West Virginia which has a most interesting history including serving as a 1000 bed hospital during WWII and having a bunker installed and kept secret for many years as the place where congress would move to if we were attacked.

I am proud to honor our veterans and troops by putting out along the sidewalks near my home some 150 small flags and eight larger flags on trees on both sides of the street in front of my home.
